

Joe Borowicz
Chief Financial Officer, Rave Computer

Joe Borowicz, chief financial officer and controller of Rave Computer since 2003, has over 10 years experience working with companies to improve their overall financial health. As a member of the executive team at Rave, Mr. Borowicz's role is to provide financial dashboards, budget projections, internal management reports, and overall recommendations relating to the financial impact of Rave business decisions. In addition, Mr. Borowicz is the HR Director and also works closely with the business development department to identify new potential markets and business opportunities, including being part of an estimated 800% increase in Michigan Revenue in the past 2 years.

Mr. Borowicz holds both a Bachelor of Accounting and MBA-Operations Management degree from Walsh College. He is currently acting as a financial advisor for Danas Technology and the Green Team Coalition, and sits on the advisory board for the Macomb Food Program and Lighthouse Technology, a Macomb INCubator tenant company. In addition, Mr. Borowicz volunteers his time with the Special Olympics and Macomb Township Little League.

Mr. Borowicz was also recently chosen as one of Dbusiness Magazine's '30 in their 30's'.

Rave Computer, a privately held company based in Sterling Heights, Michigan, specializes in computer hardware consulting, integration, and support. Rave offers custom configured solutions to OEM's that embed computers, the Defense Industry, Independent Software Vendors, and commercial customers that require integration services or supply chain management support. Visit www.rave.com for more information, or call (800) 966-7283.
